Book Discussions
Jan began her SALT adventure when she picked up a SALT brochure at her public library and started to peruse the wide variety of educational 3-week classes, local trips, book discussions, and presentations offered on Trinity’s campus. Jan chose to register for “Editing Photos with Picasa” and a trip to Provision Theater’s presentation of “The Hiding Place” followed by dinner at Rodity’s. OPA! What a connection – she began to fall in love with Trinity’s beautiful campus, the passion of the professors, and the enthusiasm of the SALT students who shared her quest for continual learning.

Jan, a retired social studies teacher, stays connected to the Trinity community by attending campus theater productions, musical performances, art exhibits, basketball games, volunteering and relaxing in the Bootsma Bookstore Café paging through books and enjoying a fresh smoothie or hot cup of coffee.

Jan has become a regular SALT participant and life-long-learner. In an effort to support and strengthen the SALT program, Jan has also become an annual donor. Thank you Jan for your generosity and much appreciated financial support!

“TUESDAYS WITH MORRIE”
Sunday, March 20 • 2:00 – 7:00 PM
Location: Depart Ozinga Chapel by Bus
Fee: $70
Join us for an afternoon performance at Provision Theater in Chicago followed by dinner at Tuscany’s on Taylor Street.
The performance is the autobiographical story of Mitch Albom, an accomplished journalist driven solely by his career, and Morrie Schwartz, his former college professor. Sixteen years after graduation, Mitch happens to catch Morrie’s appearance on a television news program and learns that his old professor is battling Lou Gehrig’s Disease. Mitch is reunited with Morrie, and what starts as a simple visit turns into a weekly pilgrimage and a last class in the meaning of life. Our four-course dinner, served family style, will include wild mushroom crostini, bruschetta, mini caprese, Caesar salad or minestrone soup, penne in a mushroom shallot cream sauce, chicken marsala, grilled Italian sausage with sautéed onion and peppers, roasted potatoes, grilled vegetables, coffee and tiramisu for dessert.

TRINITY SPRING PLAY
“OUR TOWN”
Friday, April 15 • 6:30 – 10:00 PM
Location: ARCC
Fee: $20
We will start our evening off with a decadent dessert reception on the second floor of the Arts and Communication Center where Trinity’s director of theatre, Dr. John Sebestyen, will give us “An Insider’s Guide” to the winner of the 1938 Pulitzer Prize for Drama, “Our Town.” The story follows the small town of Grover’s Corner, New Hampshire, through daily life, love and marriage, and death and eternity. The play is a warm, deeply human, spiritually powerful performance on how we imagine ourselves.

COOKIES FROM THE HEART
Friday, April 29 • 12:00 – 4:45 PM
Location: Depart from Ozinga Chapel by mini-bus
Fee: $8
The Ronald McDonald House provides care, comfort and compassion for families during their greatest hour of need during their child’s stay in the hospital. Our group will travel to the Ronald McDonald House in Oak Lawn where we will tour the facility and team up in the kitchen to prepare homemade cookies from scratch. When parents return from a long hard day at work, they will be greeted with warm, freshly baked cookies straight out of the oven. Space is limited to 10 so please check the website for availability before signing up.

“DEAD WAKE: THE LAST CROSSING OF THE LUSITANIA” BY ERIK LARSON
Friday, May 13 • 2:00 – 3:00 PM
Location: AD, Fireside Room
Facilitator: Ed Bara, history educator
Fee: $5
This #1 New York Times Best Seller grippingly recaptures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history. Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, Dead Wake brings to life a cast of evocative characters from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Light refreshments provided.

Monday, May 23 • 1:30 – 2:30 PM
Location: AD, Fireside Room
Facilitator: Dr. David Brodnax, professor of history
Fee: $5
With brisk chapters and sumptuous language, Doerr’s novel follows two characters whose paths will intersect in the waning days of World War II: an orphaned engineering prodigy recruited into the Nazi ranks, and a blind French girl who joins the Resistance. Tackling questions of survival, endurance and moral obligations during wartime, the book is as precise and artful and ingenious as the puzzle boxes the heroine’s locksmith father builds for her. Impressively, it is also a vastly entertaining feat of storytelling. Light refreshments provided.

This class will examine how to budget for retirement expenses, find potential sources of retirement income and explore potential risks such as long term care, rising health care costs and rising taxes. We each have a different individual retirement goal or vision of retirement. Just the word “retirement” can conjure up different images and concerns for different people. But we all have one goal in common: ensuring our money lasts throughout retirement. That brings us to the heart of the issue with the questions - how will you replace income earned during working days with an income stream built to last through your retirement years? What’s important to you during retirement and what are the associated costs? Workbook included.

Today, people have many more options that are more affordable and becoming very acceptable and commonplace. We will discuss the various possibilities and choices you have so that you can make the best educated decision in planning ahead, as well as, eliminating the need for your spouse and/or children to make those decisions for you.

The Seventh Seal, a Swedish film by Ingmar Bergman, follows a medieval knight who is returning to a Black Plague ridden Sweden from his fruitless search for God and peace of mind on a crusade to the Holy Land. We will view and consider the film in three parts during the class. Our analysis will include an examination of the knight’s God-search, of Bergman’s religious vision, and of cinematic techniques that present or enhance that vision. The film is situated historically in the Middle Ages and allegorically after the opening of the seventh seal when, as the book of Revelations describes, “there was silence in heaven for about half an hour.”

THE FOUNDING FATHERS

Tuesday, April 12, 19, 26 • 2:15 – 3:30 PM
Ed Bara, history educator
Location: HL, Board Room
Fee: $35

What were our founding fathers thinking when they signed the Declaration of Independence? We have mythologized and glorified these men so much that we have forgotten what they did and the fate that awaited them if they failed. They laid it all on the line, because they believed in the idea of independence. Classified as traitors by the British government, they continued their pursuit of independence. The Founding Fathers faced overwhelming odds against a world power, but they were confident in what they were doing and their cause. We will look at the reasons, causes and the beliefs these men fought for and why they fought for independence.

Terrorism and its threat could be that defining factor for our children and grandchildren. This class will take a look at the defining characteristics of terrorism, is it a crime or an act of war? We will also examine the history and different forms of terrorism. Finally, what should be our response to terrorism, both as a nation and as people of faith?
