Program: Music
Degree: Bachelor of Arts

ABOUT THIS PROGRAM
Offering excellent musical and academic training within the context of a Christian liberal arts curriculum, the music department offers students the opportunity to enter into an educational community characterized by:
• a focus on Christian formation
• a focus on Christian community
• a focus on fully engaged participation
• a focus on living out and living into God’s reign on earth
• a focus on hospitality
• a focus on wisdom and on excellence
• a focus on exploring connections among ideas and disciplines
• a focus on celebrating God’s creation and human being’s creative work as God’s image-bearers
• a focus on education for the whole person for all of life
