ABOUT THIS PROGRAM
The Educational Technology minor is an interdisciplinary minor composed of courses from computer science, communication arts, art, and education that is designed to provide students with the knowledge and skills necessary to pass the Illinois Educational Technology Specialist test. The required course work and a passing test score will qualify them for the Illinois Technology Specialist endorsement, which is added to the Illinois elementary, middle grades, secondary, or special education license.

MINOR COURSEWORK
- EDUC 209 Technology in Education
- EDUC 210 Principles of Online Learning
- EDUC 309 School Technology
- CPSC 111 Elements of Programming
- CPSC 331 Networking
- CPSC 332 Computing Administration
- COMM 238 or COMM 335
- One from: ART 209, COMM 238 or 335, CPSC 107, CPSC 261
- Minor who seek entitlement for Educational Technology Specialist need 24 hours.
- Minors who are not seeking entitlement for Educational Technology Specialist can substitute another elective for EDUC 309.
- CPSC majors who choose this minor will need to ensure that 15 hours are distinct from their major.
