I established a good relationship with community partner because of the work we performed

I was comfortable working with cultures other than my own

The community service work made me aware of some of my own biases and prejudices

The community service work helped me to learn how to plan and complete a project

Participating in the service project helped me enhance my leadership skills

The work I performed in the community enhanced my ability to communicate my ideas in a "real world" context

I can make a difference in the community I serve

I would participate in this community service project again
