What is the Trinity Women’s Organization (TWO)?
This volunteer organization is made up of women dedicated to helping raise funds for scholarships, building improvements, new equipment, and furnishings.

What is our main contribution to student life?
To help brighten the day of our students and give parents the opportunity to provide a special treat for their children no matter the distance. We order and deliver all occasion cakes, exam week care packages, and pizza parties.

Must I have a child at Trinity to belong?
Most of the women have a student at the school; however, that is not a prerequisite for membership.

How is my time invested?
During monthly meetings, we discuss distribution of the money raised and become informed about Trinity events.

A two-day scrapbooking fundraiser is held the third week of both September and January. The event offers a “no frills” Friday and an “all-day crop” Saturday, including two meals, prizes, and classes. To register, contact Trinity at 708.597.3000 or e-mail us at two@trnty.edu.

How can I be a part of TWO?

Order a Special Treat for Your Student!

**All Occasion Cakes**

Let students know you are thinking of them whether it is a birthday or just an “I miss you” moment. Choose from a cake, cupcakes, or a chocolate chip cookie cake. We will also include a card with a message from you and deliver the gift to the dorm room on the date you select (or as close as possible). Off-campus students will be notified where to pick up their items.

**Exam Week Care Package**

These are offered during both first and second semester exam weeks. One week before exams your student will receive a box filled with snacks, fruit, muffins, beverages, and much more. These are delivered to the student's dorm room. This is a great treat during this stressful time.

**Aurelio’s Pizza Night**

Students love pizza! Provide a pizza package from a local favorite, Aurelio’s.

**Random Act of Kindness**

Want to make another student’s day special? Choose any of the items listed for a student who might not receive one. We will randomly pick a name from a list of students.
