Community life is at the core of all that happens here. Trinity’s on-campus housing provides a unique chance for students to live and learn alongside a diverse group of peers in a supported, academic environment. Our Residence Life program is managed by professional, administrative educators who work with student leaders to foster a community where residents encounter belonging, growth, and empowerment.

There are four residence halls at Trinity. Returning students typically reside in West, Alumni, or Tibstra Hall. Each Residence Hall offers suite-style housing with an in-suite bathroom and furnished bedrooms (including desks).

*Students who are 22+ years old, married, or live at home with their parent/guardian are exempt from this expectation.
